

Proud to Serve the Los Altos Community

It's Good to Buy Green

Green purchasing minimizes adverse environmental impacts and can improve your bottom line.

- ✓ Purchasing 100% recycled content paper instead of virgin paper can reduce greenhouse gas emissions by 37%.
- ✓ Purchasing less toxic cleaning products can reduce incidents of allergic reactions, asthma, burns and eye damage.
- ✓ Purchasing green products that generate less waste and require the use of less energy, fuel, water and additional resources, will lower overhead costs .

For information about green products and where to find them, visit the following websites:

- **Green.ca.gov**—Navigate to the Purchasing section.
- **GreenSeal.org**—Select the “find green seal products & services” tab.

Thank you

*to all our customers who work hard to reduce waste, recycle and compost!
Your participation in the Recyclables and Organics Collection Programs makes a difference and is much appreciated.*

Congratulations to the Jesuit Retreat Home. Mission Trail representatives recently met with their staff and were able to implement programs for Recyclables and Organics.

Help Wanted?

If your business is looking to start or improve a Recyclables or Organics Collection Program, Mission Trail wants to help!

We offer the following assistance at no charge:

- Composting/ recycling opportunity assessments

- Program guides & posters

**Contact us today at
650-473-1300!**

Holiday Schedule

Regular service will be provided during the weeks of Labor Day, Columbus Day, and Veterans Day.

During Thanksgiving week, service normally provided on Thursday and Friday will be one day late.

Service Reminders

- ✓ Make sure the area around your containers is clear on collection day.
- ✓ Keep container lids closed to keep out birds, critters and rain.
- ✓ Contact us to help with overflow or arrange for collection of large items.
- ✓ Contact us to arrange for debris box service for construction, demolition or landscape jobs.
