

PROGRAM TIP: Scheduling Your Cleanup and Bulky Item Collection

Please make an appointment with us before setting out up to 4 cubic yards of garbage and 3 large items. We use special collection bags and a flatbed truck to provide this service. Route stops are predetermined according to our list of appointments. Residents of single-family homes are entitled to a Cleanup/Bulky Item Collection once every 6 months at no charge.

PROGRAM TIP: Improve Service by Not Overloading

When the lid does not fully close or materials are tightly wedged inside, it's difficult for us to empty a cart. Servicing overloaded carts can damage equipment, create a mess, and slow down service. If you have more garbage, recyclables or organic materials than will fit into the appropriate cart, please contact us to arrange for additional service.
