# For Your Convenience...

## On-Call Cleanup

BAG DELIVERY DATE:

COLLECTION DATE:

## Here's how it works:

- Prior to your scheduled cleanup day, two 4'x4'x4' bags will be delivered. Each bag will hold up to 2 cubic yards of garbage.
- Place the bags in the street curbside when you are ready to start filling them. If the bags are filled inside of your home, they may be too heavy to move out for collection.

- Make sure that each bag is placed within 5 feet of the curb, swale, paved surface, or roadway that was specified when the service was scheduled. Make sure that the location has been agreed upon with your HOA or landlord if you have one.
- Fill the bags with miscellaneous items. Commonly disposed of items include books, magazines, toys, clothing, exercise equipment, housewares, packaging materials (styrofoam blocks, large boxes), & yard trimmings.
- Next to the bags, you may put out up to three bulky items. Common bulky items include mattresses, sofas, dishwashers, water heaters and similar furnishings and appliances.

- Refrigerator/freezer doors must be removed or taped/strapped shut when set out for collection. Instead of one bulky item, you may put out an e-waste item like a TV, computer monitor, printer, fax machine or VCR.

- Using a special flatbed truck, Mission Trail will return on your scheduled service day to remove the bags AND bulky items.

## Prohibited items:

- Liquids
- Hot ashes
- Automotive batteries, fluids, or tires
- Construction or demolition debris
- Treated wood
- Items labeled as toxic, poisonous, hazardous, or flammable

## REMEMBER!

- Your two bags and bulky items will be collected in one trip on your scheduled collection day.
- Everything must be ready prior to 6am.
- Additional charges may apply for rescheduling or if multiple collection trips are requested.
- Items labeled toxic, poisonous, hazardous, or flammable cannot be collected through the On-Call Cleanup Program. Contact Mission Trail for available collection options or visit one of Santa Clara County's free drop-off facilities. Visit [www.HHW.org](http://www.HHW.org) or call 408.299.7300 for information.
