Happy New Year from all of us at Mission Trail Waste Systems

Test Your Detectors

Start off the new year knowing your family and your home are protected by smoke detectors and carbon monoxide alarms that work.

- Test existing detectors and alarms.
- Put in new batteries and recycle the old ones.
- Remove non-working detectors and alarms responsibly. Refer to the product label, user's manual, or warranty for manufacturer's instructions.

First Alert offers a main-in program for First Alert and BRK smoke detectors. Call 1-800-323-9005 for information.

Or, bring your non-working detectors and alarms to Santa Clara County's free drop-off facility. Go to www.hhw.org or call 408-299-7300 for more information.
