

Proud to Serve the Los Altos Community

Thank you for leading the way and never refusing to reuse all your household materials. Your daily efforts make all the difference when you recover, reuse, reduce and recycle what is thrown away as trash!

Cardboard Disposal

With the holidays approaching, there will be a greater amount of cardboard being used. Place all cardboard in the recycling cart, making sure the lid is completely closed. If your recycling cart is full and you have extra cardboard, please break the cardboard down, bundle it together so that it fits right back in the cart & place next to the recycle cart. If the bundled cardboard does not fit back into the cart, the Driver cannot take it.
