

Mission Trail Waste Systems

Los Altos Quarterly Residential Newsletter

Proud to Serve the Los Altos Community

SB 1383

In an effort to remove food/organic material from the landfills, starting in 2022, all local jurisdictions will provide organic waste collection services to all residence and businesses. The collected material will be processed at a processing facility that creates biofuel for electricity or soil amendments for repurposing & revitalization.

REMINDER: Please place all food scraps, yard clippings and food soiled paper in your organics bin.

For additional information please visit www.calrecycle.ca.gov and search California Short-Lived Climate Pollutant Reduction Strategy.
