*Proud to Serve the Los Altos Community*

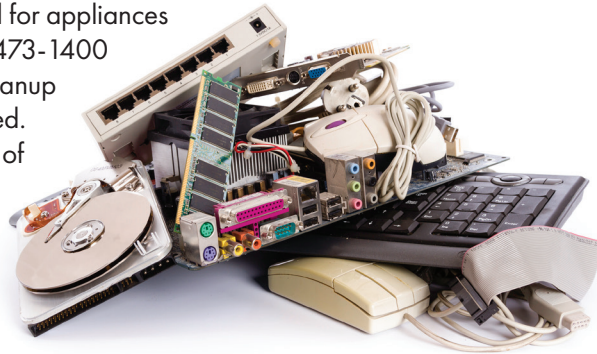

## Got Extra? Schedule an On-Call Bulky Cleanup

Once every 6 months, at no charge, residents of single-family homes can schedule the collection of up to 4 cubic yards of garbage and 3 large items. The large items can include sofas, water heaters and other furniture/appliances. In lieu of one large item, an e-waste item like a TV, computer, printer, fax machine or VCR may be set out.

Charges apply for additional items and for appliances containing Freon. Please contact 650-473-1400 in advance. Prior to your scheduled cleanup day, two 4'x4'x4' bags will be delivered. Each bag will hold up to 2 cubic yards of trash. Appointments are scheduled in the order they are received.

### Order Additional Service

Bins of various sizes are available for construction and/or demolition, landscaping and other projects.

## Residential Container Set Out Guidelines

Please make sure to set trash and recycling containers out the night before your service day or by 5am on the day of service. Containers should be spaced at a minimum of 18" to 24" inches, with lids closed tightly to avoid possible litter. Mission Trail Waste Systems highly recommends bringing your containers in once service has been completed to avoid bins being moved by inclement weather, tipped over or creating a roadway hazard.

## UPCOMING EVENTS
